Gentlemen.

Yours Telegram and Contents duly noted. I have 4 pieces of the 4 daler's, and one extra, that I do not care to sell as it is very, very rare. One of the 4 daler is from the time of Charles XI 1675 and is very rare. I have 2, 2 daler's. 1 daler 1/2 daler. one 1 daler and 1/2 daler of Charles the twelft both very rare especially the 1/2 daler. I have also a lot of scarce Russian, Siberia 50 kopeks of Catarine 2nd Peter the 1st. Also about 300 English tokens very fine. Among them Colonials "Tal preserve Rarities genuine, Rosa Americana etc.

I also secured a very beautiful specimen of an 1/2 cent piece 1797 which is the finest I have seen. I shall sell my whole collection provided I can get a decent offer for them. Spink & Son in London asked me 4 pounds a piece for the 1/4 dalers they had and all was a very poor one. The had only 2. I should not care to sell the lot for less than 100 $ including the plates of Charles XI and Charles XII. I do not need money bad enough to sell them for less, and would prefer to sell them to private parties. I am not a dealer, but a buyer. Coin dealers, as a rule pay but very little for coins. If you prefer to come up and see them I will gladly show them to you. In the meantime I beg to always remain your respectfully
